

Past a peasant

Words & Music by Dave James Hendrikse

I thought this was a nightmare. The devil's on the loose.
They told me not to go there, but i guess i'm just a fool.

And then, I walked past a peasant, I walked past a peasant,
I walked past a peasant at the side of the road

He said, We're going up and down, we're born to move.
But Hey !! Enjoy life, because it's damn good

Take your time for a conversation
An ear for what you say, is good.
Anytime you can leave your highway
To where the neons turn to wood.

The outside world is cold as ice, full of sinners full of saints
No complaints at the early morning light
That's life, each day the same.

I thought i had a nightmare, the devil's on the loose.
They told me not to go down there, but i guess i'm just a fool.

So when, I walked past a peasant, I walked past a peasant,
I Said, I walked past a peasant at the side of the road.

He Said, We're going up and down, we're born to move.
But Hey !! Enjoy life, because it's good.
He Said, We're going up and down, we're born to move.
But Hey !! Enjoy life, because it's good.
